Declaration and Authorisation

In assessing the application, we will make enquiries about your client(s) including searching any records held by Credit Reference Agencies, Electronic Identity/Verification Systems and checking details with Fraud Prevention Agencies. If false or inaccurate information is provided and we suspect fraud we will record this. The Credit Reference and Fraud Prevention Agencies will keep details of any searches. Information held by the Credit Reference Agencies may already be linked to records relating to one or more of the financial associates.

For the purpose of this application your client(s) may be treated as financially linked and the application will be assessed with reference to any "associated" records. If it is a joint application or if you have told us of some other financial association with another person, you must be sure that you are entitled to (a) disclose information about any joint applicant and anyone referred to; and (b) authorise us to search, link or record information at Credit Reference Agencies. An association between joint applicants and between anyone you tell us is a financial partner will be created at Credit Reference Agencies. This will link financial records, each of which will be taken into account in all future applications. This will continue until a disassociation is successfully filed at the Credit Reference Agencies.

You confirm that your client(s) has/have given consent to us disclosing details of their application to Credit Reference Agencies, Fraud Prevention Agencies and our panel lenders. This information may be used to help us and other organisations to (a) assess the financial risk of dealing with them and other associates; (b) may be used to help make decisions on motor, household, credit, life and other insurance proposals and insurance claims; (c) administer agreements and insurance policies with them; (d) help prevent or detect fraud, prevent money laundering or other crimes, recover debts and trace debtors; and (e) for statistical analysis about credit, insurance and fraud.

The lender(s) we recommend may use "credit scoring" or other automated process in deciding whether to accept your client's application and during the life of their loan account. Lenders may use an initial soft search at the early stages of an enquiry, a full search on application and may recheck prior to or at completion.
